

SHAHAR GRINBOIM

Profile

Third-year Communication student at Reichman University, specializing in Interactive Communication. An IDF reserve officer in the Teleprocessing Corps, with extensive experience in managing and operating tech communication systems. Aspiring to join the field of User Experience (UX) and User Interface (UI) Design, with a focus on user research, interface design, and design thinking. Skilled in human-computer interaction, usability testing, interaction design, and wireframing, with hands-on experience using tools like Figma. Eager to contribute to innovative teams and help create intuitive, aesthetic, and user-centered solutions that bridge technology and human needs.

Education

B.A in Communication (Third Year), Reichman University

2022 - Present

Specializing in Interactive Communication at Reichman University. The focus is on User Experience (UX) and User Interface (UI) design, combining communication theory with practical expertise in human-computer interaction, usability, and design thinking. Studies include advanced topics such as UX research, interaction design, and user experience writing, alongside hands-on experience with tools like Figma for wireframing and prototyping. This comprehensive approach integrates theoretical knowledge with practical skills to create intuitive and user-centered digital solutions.

Full High School Diploma, ORT Ironi D High School, Modiin

2017
